September 19, 2012 SHW Meeting The Impact of Oak on Wine

You hear that oak imparts flavors in your wines and that your wine benefits from barrel ageing but what does the oak really do to your wine and what truly are the benefits? How do you get oak into your wine if you don't use barrels?

At the Club's September 19 meeting, Dr. Jeff McCord, Director of Research at StaVin will lead a discussion on the impact of oak – applications, oak products, the evolution of oak, and how oak can even assist in malo-lactic conversion. StaVin is a worldwide leading supplier of premium oak products for both commercial and home winemaking uses.

<http://www.stavin.com>.

Please bring a bottle of wine to share and a wine glass for your use. Thanks to all for helping set up before the meeting. We are to vacate the meeting room by 9:30 PM and your help in facilitating the clean-up is appreciated.

President's Message

Dear SHW Members:

As you read this message, I will be deep in the south of France devouring the landscapes, the foods, and the wines. My travels will take me from Paris, to Arles, then over to Lake Como, and then on to Venice, Florence and, finally, Rome.

There is nothing like travelling the world and munching through their favorite foods and wine. Many of you gave me tips on where to go, and what to sample, and for that I am grateful. Our club members travel extensively and bring back not only a finer palate and spectrum of wine appreciation, but also wonderful tales of visiting regional wineries and vineyards.

In November, the Sacramento Home Winemakers traditionally uses this monthly program for presentation by club members of their travels, accompanied often with great stories, and often times, photos, of unexpected treats (we all recall last year's wonderful presentation by Paul and Nancy Baldwin of their travels to Australia and their unexpected dinner at the winery). We have a small fund for the speakers to purchase several wines from the region to share with our members. And, of course, our table snacks match the regional wines. As always, our members enrich our knowledge and appreciation of wines.

If you would like to present for a few minutes about your travels last year, contact SHW Vice President Bill Staehlin at bill.staehlin@sbcglobal.net. The club owns a projector, and we can easily lend you a laptop for your presentation.

I know that I will be sharing my travels when I get back, if I get back.....Volare, oh-oh-oh-oh!!

Happy Winemaking!

Thanks for Stepping Up!

Your Club appreciates your help in keeping the organization running smoothly and extends special thanks to:

- Deb Moretton for coordinating and bringing the hospitality cheese and bread for June's meeting; and
- Lynn Keay for hosting September's executive board meeting.
- Mike Harris for coordinating the Club's September bottle buy.

September Executive Board Meeting – October 3 Wednesday, 6:30PM –8PM in Tahoe Park (Sacramento)

All SHW members are encouraged to attend the Club's Executive Board Meeting at least one time, so why not make October's Board meeting the one to attend? The October meeting will be held in Tahoe Park, off of 65th Street Expressway.

This is a great way to get involved and to learn more about your Club, with absolutely no commitment (lucky you!). At the October meeting, we will be finishing up our planning for the final events of the year – the Harvest Dinner and the Holiday Party, as well as polishing the programs for October and for November.

If you can't make the board meeting at 6:30pm, come around 8:00pm for the potluck that follows and the sharing of wine and fellowship. Contact Donna Bettencourt, President at bettencourt1045@softcom.net or (916) 548-3199, for exact location.

From the Chief Judge

D.D. Smith

Seeking a new SHW Chief Judge

My wife, Jo and I have made the decision to relocate to Southern California sometime next spring or summer. Jo has her roots there, and it's time for her to return after roaming the U.S. for 37 years with me. But the prospect of leaving the finest viticultural area in North America to stare at some Temecula fruit causes me foreboding, indeed. You might see me up here from time to time raiding local vineyards.

The upshot for the Club is that the new President-elect will be faced with appointing a new Chief Judge late this year for duty beginning in January, 2013. We have a couple of excellent candidates on the Executive Board, but we all think it wise to canvas our membership to see if there might be some good Chief Judge talent out there somewhere.

Here are some qualifications an ideal candidate might have:

- Graduate of an advanced tasting course at UCD or elsewhere
- Some reasonable experience in making good wines
- Previous judging experience
- Broad knowledge of wines (U.S. and foreign)
- A deep, abiding and energetic pursuit of anything WINE
- Time available to work with the Board and to run the Jubilee wine competition

If you think you might qualify, let's chat about it. Please call me at 916-638-8849 or email at ddanjo@sbcglobal.net.

More from the Chief Judge...

2012 Winemaker of the Year

Just a reminder – **Winemaker of the Year** entries are due by November 30th! The basic format mandating entry in three competitions, which must include our Jubilee and the Orange County Fair (this year only), remains the same.

1. Candidates must enter a minimum of TWO “separate and distinct” wines in each competition.
2. To encourage club members to enter multiple wines in each competition (even knowing that some may not be medal winners), we have set up a means of excluding the scores of some wines from counting in the Winemaker of the Year competition:
 - a. When four wines are entered in any competition, the score of one wine may be excluded from the Winemaker of the Year competition.
 - b. When five wines are entered in any competition, the score of up to two wines may be excluded from the Winemaker of the Year competition.
 - c. When more than five wines are entered in any competition, the score of up to three wines may be excluded from the Winemaker of the Year competition.

The **Winemaker of the Year** criteria sheet and entry form are included in this newsletter, so don't delay! Turn in the completed form to the Chief Judge or any board member.

Sacramento Home Winemakers

Winemaker of the Year Selection Criteria

The purpose of the Winemaker of the Year award is to encourage excellence in wine-making among all Club members. The best measure of excellence is the opinion of qualified judges in a structured competition environment. Accordingly, the following criteria were adopted by the Executive Board on July 1, 2009.

The annual winner of the **Winemaker of the Year** award shall be the candidate who accrues the most Total Points in the Award Year as follows:

- Candidates for this award must be members of SHW, Inc. in good standing who are not the owners, winemakers or employees of licensed commercial winemaking concerns, except as set forth below.
- Candidates who are owners, winemakers or employees of commercial winemaking concerns, but who are otherwise qualified, may submit wines for competition provided that such wines were made and bottled prior to the effective date of their winegrowers license.
- Candidates must certify that the wines they submit for competition are 100% home made wines created by the candidate without any hands-on assistance from a commercial winemaking concern as described above. Consultation with commercial winemakers and educators is encouraged by the Club.
- Candidates must compete in a minimum of three (3) recognized wine competitions during the Award Year. *Regardless of the number of competitions entered, the results of only three competitions (selected by the candidate) may be entered in the Winemaker of the Year competition.*
- Among the competitions entered, one must be the SHW Jubilee and one must be the California State Fair. *For the 2012 competition, the Orange County Fair is substituted for the California State Fair.*
- The "Award Year" extends from December 1st of the prior calendar year to November 30th of the subject calendar year.
- A competition is considered to have been in the Award Year if the actual judging is conducted and medals awarded during the Award Year.
- Candidates must enter a minimum of two separate and distinct wines (i.e. different varietal or different vintage) in each competition.
- *Excluding wine scores in the case of multiple entries: The following measures are intended to encourage club members to enter multiple wines in competition:*

- When four wines are entered in any competition, the score of one wine may be excluded from the Winemaker of the Year competition.
- When five wines are entered in any competition, the score of up to two wines may be excluded from the Winemaker of the Year competition.
- When more than five wines are entered in any competition, the score of up to three wines may be excluded from the Winemaker of the Year competition.
- Points will be awarded as follows:

No award - 0

Honorable Mention – 10

Bronze Award – 20

Silver Award – 30

Gold Award – 40

Double-Gold Award - 50

Best Varietal, Best Red, Best White, Best Dessert, Best Fruit,

Best Sparkling Wine, or Best Other - 20 additional points

(Note 1: A wine may win in more than one category, i.e. Best Merlot and Best Red, in which case 40 points would be awarded).

(Note 2: The fact that the award may be termed, "Best of Show, Red", etc. does not qualify it for Best of Show points as outlined below).

Best of Show (for those competitions which award a SINGLE Best of Show medal) - 40 additional points

Points ÷ Number of Entries = Average Points

(Note: Wine(s) excluded from scoring do not count as an Entry)

Total Points: The sum total of all Average Points from all three competitions entered.

The Winemaker of the Year is the candidate who earns the most Total Points.

- Candidates will be provided forms which will guide the calculation of the Total Point score.
- The Chief Judge will verify all competitive entries and submit the top scorer to the President for approval.
- The scores of the top five finishers will be publicized to all Club members.
