JUNE Program June 19, 2013

RED Bordeaux varietal evaluations

Our June 19th meeting is dedicated to the evaluation of our 2012 red Bordeaux varietal home wines. The five red Bordeaux varietals are: Cabernet Sauvignon, Cabernet Franc, Merlot, Malbec, and Petit Verdot. Please do not bring any other vintage for evaluations; this is one way we are able to control the number of wines being submitted for evaluation. Thanks so much for your cooperation. We are very fortunate to have as this evening's evaluators Chik Brenneman, Winemaker and Wine Manager for UC Davis's Viticulture Department and Craig Haarmeyer, Winemaker for Revolution Winery, our own urban winery.

Please bring two 750ml bottles of your wine and hand them over to Cellarmaster Henry Wilkinson by 6:45pm. Be prepared to give a brief description of how you made your wine and be prepared to receive helpful comments from our evaluators.

Presidential Musings By Gary Young SHW President

Dear Fellow Members,

"The Sacramento Home Winemakers Club - BLOG SITE"

I was just reviewing what must be one of the more fabulous features that the Club makes available to ALL OF US: "THE SHW BLOG".

I just want and need to say - "WOW".

If you haven't been reading it - - YOU SHOULD READ IT.

Judy Pinegar and **Gin** Yang have been doing a great job in maintaining and expanding this site that provides on-going information about SHW Club activities as well as wine making specific items such as: grape sources, educational opportunities and wine making tips and ideas

THIS IS A GREAT RESOURCE!

"JUNE JUBILEE"

I'm happy to report on yet another successful Club event: this year 121 wines were judged and awards handed out. In excess of 100 club members, family and friends joined the afternoon's Bar-B-Q and tastings of the wines from the morning's judging. (For further information and photos, see the June 4, 2013 Club Blog on our website.) (See, I'm already using our Club Resources!)

Actually, what I especially want to do is take this opportunity to thank the many club members whose combined efforts made the JUBILEE the success it was. Thank you ALL!!

I also want to encourage all members to join in working on our club activities: MANY HANDS MAKE LESS WORK - AND BETTER EVENTS.

WINEMAKER MAGAZINE - - 2013 WINE CLUB OF THE YEAR.

SHW had the distinction of being named the Wine Club of the Year - - for the second year in a row. Congratulations to all the club members who participated and won the medals that brought the title "home" again.

I particularly want to recognize the accomplishments of Rex Johnston & Barbara Bentley who garnered 14 of the 35 medals awarded to SHW members. In addition, they earned the honor of being named "Winemaker of the Year".

(For full details see the May 21, 2013 SHW Blog.)

Cheers To All:

- Gary Young

Winemaking 101 August 3, 2013

All new and very novice winemakers are invited to SHW's Winemaking 101. The 4-hour workshop provides you the basics in white and red wine making. We'll cover the wine making process including terminology, equipment, supplies and chemicals, and where to find what.

The outside event starts mid-morning (details to follow) in Elverta. The workshop is free to SHW members; \$20 per person for non-SHW members (workshop fee is waived if joining SHW at event). Contact Henry Wilkinson to reserve your seat: hbwilkinson@jps.net and (916) 997-3056; or Gin Yang: ginyangstaehlin@yahoo.com an (916) 217-0294. Seats are limited.

For members only: to complete your beginning winemaking experience, new winemakers are encouraged to join the Beginners Varietal Focus Group. This group will be led by Henry Wilkinson and Gin yang-Staehlin; the group's grape varietal is yet undecided. The beginning winemaker's focus group starts with procuring the grapes and crushing together, then fermenting individually; we'll guide you through the steps.

Space is limited for this group so sign-up soon. Henry and Gin's contact info is listed above
