

Bottles and Barrels Available

Joe Daniel with **Tiny Vineyard Wine Company** has bottles and barrels available for sale. The following is on offer:

-  Six twice-used 2019 French oak 60 gal barrels in Sonoma.
Premium cooperages
\$100 per barrel.

The barrels were purchased once-used from Spottswoode Winery in St. Helena. They have been used for one vintage and probably have one or two more years of some oak extraction before they would be considered neutral. They have been steamed, ozoned and treated with sulfur/tartaric acid stew.

Call or email Joe Daniel at 303-818-1254, wildfly.jed@gmail.com. He is willing to deliver to anywhere in or near Sonoma if you buy all the bottles or any number of barrels.
